

The family of La Casona welcomes you! La Casona began serving fresh, authentic, delicious Tex-Mex food to the Brazoria County community in 2005. In 2016, after more than 10 years of service, a huge kitchen fire destroyed our restaurant completely! La Casona has come back to business in 2017 with a bigger and better building and is ready to serve you! We want to thank all our dear customers for their support and for always showing such loyalty!

Thank you,

*Noe Gallardo & Family*
